Please return this completed copy to your child's principal. The principal will respond to the letter with a face-to-face conference to discuss your concern. If you are still not satisfied with the response, you will be referred to the Superintendent. If your concerns still are not resolved, you may appeal to the New York State Education Department and ultimately the U. S. Department of Education. Please see the District website heuvelton.k12.ny.us for the Written Complaint and Appeal Procedures.
